Environmental Best Business Practice to improve profitability

You are invited to the monthly Green Business Platform to learn about how to make your business more profitable by taking steps to reduce your environmental impact.

TOPIC
Corporate wellness
for improved
productivity
through sustainable
human energy

GUEST SPEAKER
Marita Williams

Sustainability has three pillars: Economic, Social and Environmental. To ensure Sustainability your business needs, to practice all three.

Marita Williams from EOH Health is an Organisational Well-being consultant and will be discussing the ways to enhance the wellbeing of your staff, and how to improve their productivity. These crucial human capital interventions focus on the individual, to build resilience in a continuously changing and challenging world of work, as well as to shift the focus from managing time to managing energy. Business owners will benefit from this talk, both for themselves as well as for their businesses and their people who function within. Practical guidelines for sustained human energy will be shared and participants will also learn some practical hints and tips in a fun way.
